

Reliable Hydraulic Power...

Easy access, front seal change-out door

With The Industry's Fastest High Volume Blower

Do more and bigger jobs with the SERIES 1500 insulation blower - your high production solution. Meyer's top-of-the-line, hydraulic drive blower is an all-fiber, large capacity machine that delivers fast, accurate and uniform open blow coverage. The SERIES 1500 features a totally hydraulic drive system that provides power to the hopper, feeder and blower. With Meyer's hydraulic design, there are no more clutches, transmissions and the associated belts and pulleys.
